2010 BURGERS FOR CHaD

It is Burgerfest 2010 at [The Barley House, home of NH's best burger](#). This year marks the fifth year that The Barley House has raised money for [CHaD](#) (Children's Hospital at Dartmouth) with our award winning gourmet burgers and local beverages. Help us to reach our goal of serving 2,010 freshly ground burgers. Burgerfest begins June 11th and will continue until June 19th. Our gourmet burger menu, as well as a limited house favorites menu, will be available for lunch and dinner – 11 am to 10 pm.

With the help of local sponsors, this year's Burgerfest will be the biggest yet. Our newest sponsor is Grappone Automotive Group. Here is what Greg Grappone had to say: "The Grappone Automotive Group has been a proud sponsor of Fred's Fund in the past. This year we are excited to support it via Burgerfest 2010 at The Barley House. For every Grappone burger sold, we'll be donating \$1 to the Fund. This is a fun way to support a good cause, and we hope to see you there!"

What better way to donate to a great cause than to come have a local beverage and gourmet burger with your friends. Raising money for CHaD is at the heart of Burgerfest. Last year The Barley House teamed with local charity [Fred's Fund](#) and beverage distributor [New Hampshire Distributors](#) to raise over \$30,000 for CHaD. The bulk of the money was raised by Jay Swymer, the father of the late Fred Swymer. Through his sports celebrity auction, Jay made an enormous difference for children and their families at CHaD.

["Burgerfest at the Barley House has become CHaD's pre-eminent event in Concord," states Toby Trudel from the Manchester CHaD Community Relations office. "We are very grateful to Jay Swymer, Brian Shea and the entire Barley House staff for the tremendous effort they put into this each year."](#)

This year's burger line up will not disappoint. The Barley House culinary team has been working to create an unforgettable tasty menu. We will have the Award winning Dublin Burger, a local turkey burger, local catch burger and many more.

Event sponsors include [S&W Sports](#), [Long Trail Ale](#), [N.H. Distributors](#), and many Concord Main Street businesses. With a purchase of a burger, guests will automatically be entered in our raffle with over 40 items and winners will be picked on Monday June 21. Additional raffle tickets will be available for purchase at Barb's Beer Emporium, Imagination Village and S & W Sports. Tickets are \$5 each or 5 for \$20. Cash or check donations can also be made directly to Fred's Fund (www.fredsfund.org). Remember, The Barley

House Burgerfest runs from June 11th through June 19th. Come early and come often to sample this year's select burgers.
